

Integra Engineering Scholarship

Donor:

Integra Engineering Ltd. Is a small-mid sized EPCM engineering firm working predominately in Oil & Gas. At Integra, we believe in strengthening our community by investing in its future – our youth.

Purpose of Scholarship:

The Integra Engineering Scholarship aims to support high school graduates from Lloydminster and the surrounding area in meeting the financial commitments required to pursue post-secondary education in Engineering or Engineering Technology. The recipient of this scholarship will be furthering his/her education as a full-time student at a recognized post-secondary institution.

Eligibility:

The recipient must be a current-year high school graduate from Lloydminster or the surrounding area and must be enrolled in an Engineering or Engineering Technology program at a recognized post-secondary institution.

Selection Criteria:

As a high school graduate pursuing post-secondary education in Engineering or Engineering Technology, applicants must:

- Demonstrate a strong commitment to their education and active involvement in their community.
- Express a strong desire to return to Lloydminster after the completion of their post-secondary education.

Amount:

Integra Engineering will award two successful applicants with \$1000.00 each towards their post-secondary education.

Application Procedure:

1. A resume detailing their academic and extracurricular achievements.
2. A cover letter describing their future career goals in engineering, their community involvement, and their motivation to return to Lloydminster or surrounding area after the completion of their post-secondary education.

Deadline:

Applications are due by noon on Monday, May 4, 2026.

Please email completed applications to HR@integraeng.ca
